

National ID application form

Please fill in this form with a Medium 500µ Black Rollerball fineliner in BLOCK CAPITALS using a piece of lined paper underneath as a guide. You must answer ALL the questions. If you do not know the answer to a question you must think about it for a bit and make a pot of tea. The judge's decision is final.

Tick boxes () should be filled in with a jaunty tick thus:

Do NOT fill with a diagonal cross: This isn't the Football Pools.

Please explain your religion.

eg: Feng-Shui is not a belief system, it is merely a storage solution.

Please tick level of fervour.

Religious mania is calibrated on the Wesley Index - the measurement of lateral quaking observed during a theological debate.

Do you believe in miracles?

Since you came along You sexy thing.

What is your view of xenophobia?

- It's a nice enough place but it's full of foreigners.
 I don't like spiders at all.

Would you lie on an official form?

- No Yes.
 Yes No.

Would you die for your country?

- Yes We may need to see proof of this. Quite soon.
 No All pacifists will be shot. As an ironic aside.

What is your view on Justice?

- Works for criminals, but the innocent get away with it.
 It is quite the best furniture polish I have ever used.

How vegetarian are you?

- I refuse to eat animals which eat other animals.
 I eat only free-range pebbles and polymerised tofu.
 I kill animals to play with them. They're my friends.

Do you partake in deviant sex?

By sex we mean mammalian intercourse with your partner or their slightly immoral and open-minded friend.

- Please explicitly elaborate on a separate sheet of tissue.

If you write or mark below this line, a large mechanical dog with iron claws is programmed to hunt down and attack you

For office last day of term use only

- Bring in games
 Go on outing
